

Discover a career that makes a difference.

Join us this first World Refrigeration Day to discover the future of refrigeration and the career opportunities available.

There will be the opportunity to visit an operating state-of-the-art natural refrigerants plant room, meet industry professionals and experience a day in the life of a refrigeration technician.

When Wednesday, 26th June 2019

Where Woolworths Supermarkets in the western suburbs of Melbourne and Sydney.

Each session will run for approximately 1 hour.
